EDUCATION

Computer Engineering Dokuz Eylül University - İzmir

2016 – Present

Currently in fourth year. Working hard to graduate in a fulfilling GPA.

English Language School Loughborough College / United Kingdom

06/2016 – 08/2016

Educated in Leicestershire/U.K. for two and a half month. Achieved C1 level of English education as a the addition to my preparatory year.

WORK EXPERIENCE

Internship Dokuz Eylül University Computer Engineering

01/2020 – 02/2020

İzmir/ Turkey

- Internship focused on Hardware and Embedded Systems with Dr. Özlem ÖZTÜRK who is associate instructor at Computer Engineering department.

Graphic Design Freelancer

2014 – 2016

After I learnt Adobe programs I did work as a freelancer on many different levels.

- Logo Designs
- UI/UX Designs
- Poster / Leaflet Designs

Web Administor Turnuval.com

2011 – 2015

Started on the bottom to work on the site as a volunteer after a while board of directors gave me chance to work. After, I got promotions one after the other. In a blink of an eye I become Administrator. Turnuval.com had 250.000 daily unique visitor daily and nearly 500.000 member.

- Volunteer
- Administor

SKILLS

Project Management

C#

Python

C

JavaScript

Embedded Systems

SQL

DBMS

Algorithms

GitHub

Android Studio

IOT

Matlab

MS Office

GUI&UX Design

Software & Hardware

OOP

HTML

Adobe Photoshop

Linux

Raspberry Pi

Data Structures

and many more.

PROFESSIONAL SKILLS

Flexible competent team leader and team member. Timely, fast and creative personality and result-oriented or detail-oriented when needed.

- I can describe myself both ways being hammer to nail and precise as blade of a surgeon. A man's accomplishments in life are the effect of his attention to detail but also his speed to not become outdated

ORGANIZATIONS

IEEE DEU (09/2017 – Present)

Member/Chairman

DEUMB (05/2018 – 01/2020)

I was a Director on our university Model United Nations club for two years. My volunteer work consisted on writing the documents needed and directing.
